Miss Florence L. Younglove,
140 Mohawk Street,
Cohoes, N. Y.

Dear Miss Younglove:-

Yesterday I took the coins you gave me to a dealer,, after first having ascertained from our Curator that there was nothing of any great rarity in the lot.. The dealer offered me five dollars and thirty cents for them and this amount I accepted, and I trust this will be satisfactory to you. When you locate the remainder of which you spoke if you will send them to me I shall be very glad to take care of them for you.

The one piece which you said we might retain for our Society proved of considerable interest. Mr. Wood, our Curator, had not seen the particular countermark with which it was stamped, and for that reason we were very glad indeed to add it to our collection. An acknowledgment will be sent you in due form.

Our trip and the good time we had at your home seem far away now. I hope you have entirely recovered from the accident which marred your journey with Mrs. Waldron of which Mrs. Chester has written me. When you come to New York again, if your engagements permit I should be very glad to welcome you at our Museum.

Very sincerely yours,
